A Grassroots Effort to advocate for undergrounding the High Speed Train through Palo Alto, which will:

- Protect Neighborhoods from elevated train
- Use Air Rights to Generate \$700 Million to pay for undergrounding and infrastructure
- Create a Sustainable and Resource Efficient Community
- Create an urban 18-hour innovation place for intergeneration living and working
- Create Healthy Places and move people efficiently
- Connect Downtown Palo Alto to Stanford University, Shopping Center and Medical Center
- Strengthen Connections between Neighborhoods and Businesses
- Build a 4 mile, 31 Acre Linear Park with a Bike and Ped Path

from an age of movement
to an age of place
